AMENDMENT

Sir/Madam:

Lee

This Amendment is submitted in response to the Office Action mailed April 8, 2005, having a one-month shortened statutory response time set to expire on May 8, 2005, stating that the previous amendment filed March 28, 2005, is non-compliant for failure to present claims 1-100, which had been canceled. The instant Amendment thus re-submits the same text as set forth in the Amendment of March 28, 2005, with claims 1-100 presented. Applicants respectfully request reconsideration of this application based upon the following Amendments and Remarks.

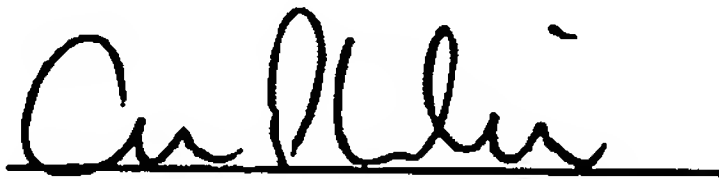

FEES

Applicant has added seventeen new claims including two independent claims. However, applicant had previously paid fees for up to 100 claims and the application now contains just twenty-nine claims. Thus, it is believed no fee is due. However, in the event it is determined a fee is due, please charge same to Deposit Account No. 19-3880 in the name of Bristol-Myers Squibb.

SUMMARY

It is believed that all rejections of the claims have been fully addressed and that the instant claims are in condition for allowance. The Examiner is invited to contact the undersigned if it is believed a telephonic communication would expedite the prosecution of this application.

Respectfully submitted,
